

## **ALPINESTARS PRODUCT RELEASE**

*Product Name -* **GP 1 SUIT**

*Category -* **Auto Racing Suit**

*Description -* **A lightweight suit constructed using Alpinestars unique Ripstop Nomex® fabric, for excellent breathability and minimal weight with a premium level of safety protection against fire and heat transfer. A selection of color options allows for compatibility with sponsor graphics and logos.**

### **THE GP1 SUIT KEY FEATURES:**

- **FIA 8856-2000 Approved**
- **SFI Approved to 3.2A/5**
- **Construction**  
*100% Nomex® construction made with Alpinestars, unique and distinctive, ultra-lightweight Ripstop outer-shell, which combines excellent breathability and minimal weight with a high level of safety protection against fire and heat transfer. A lightweight internal knit fabric layer makes this suit extremely comfortable with excellent breathability.*
- **Ergonomic flex zones**  
*Fully floating arm constructed with stretchable knit fabric providing freedom of movement. Elasticated Nomex® lumbar stretch panel improves flexibility and expansion while seated in the driving position.*
- **Comfort and convenience**  
*Alpinestars unique shoulder construction features specially shaped cut, with incorporated extraction epaulets, to ensure comfort and functionality with the HANS device. Internal flat seam construction for added comfort, improved fit and reduced discomfort at internal pressure points.*

**Colors** – Black, Red, Silver, Blue, Yellow

**Sizes** - (EUR) 44 to 60

**Suggested retail price:** \$779.95
