

## **ALPINESTARS PRODUCT RELEASE**

*Product Name -* **GP TECH SUIT**

*Category -* **Auto Racing Suit**

*Description -* **Developed in conjunction with Alpinestars F1 and Nascar teams, this high performance auto racing suit gives drivers the highest level of comfort, flexibility and safety, together with simple, yet distinctive, styling.**

### **THE GP TECH SUIT KEY FEATURES:**

- **FIA Homologated 8856-2000**
- **SFI Approved to 3.2A/5**
- **Construction**  
*All new construction for 2009, the GP Tech suit has moved onto the next level of evolution providing the driver with an ultra lightweight and highly breathable, three layer, 100% Nomex® suit construction for maximum comfort and safety. Features Alpinestars fully floating arm construction with stretchable knit fabric providing freedom of movement.*
- **Engineered racing design**  
*Specially shaped arm pattern and specifically designed three panel leg construction for an increased ergonomic fit when in the driving position.*
- **Ergonomic flex zones**  
*Anatomical lumbar telescopic expansion panel provides the driver with superior flexibility both in and out of the car.*
- **Comfort and convenience**  
*AC fabric on the back, arms and legs provides excellent ventilation and aids the driver with body heat transfer and moisture absorption. The collar, made from soft knit fabric, provides supreme comfort. Internal flat seam construction provides the driver with added comfort, an improved fit and a reduction on internal pressure points.*

**Colors** - Black, Red, Silver, Blue, Camo

**Sizes** - (EUR) 44 to 60

**Suggested retail price:** \$1499.95
