

## **ALPINESTARS PRODUCT RELEASE**

*Product Name -* **Stella GP PRO**

*Category -* **Auto Racing Suit**

*Description -* **Developed to FIA standards, specifically designed to fit female drivers with unique Alpinestars shaping and fit to ensure driving comfort whether at the highest levels of professional motorsport or venturing onto the race track for the first time.**

### **THE STELLA GP PRO KEY FEATURES:**

- **FIA Homologated 8856-2000**
- **SFI Approved to 3.2A/5**
- **Construction**  
*Lightweight three layer suit. 100% Nomex® outer layer, with full Carbon-X mid layer for maximum heat transfer protection and knitted Nomex® internal layer for superior comfort. Fully floating shoulder construction with stretchable knit fabric providing freedom of movement.*
- **Comfort and convenience**  
*New shoulder construction, using additional Carbon-X padding panels, providing superior comfort under HANS device and belts. Soft collar is made with knit fabric for superior comfort. Preox stretch side panels provide an adaptable fit for differing body shapes.*
- **Women specific design and ergonomic flex zones**  
*Specific shaping and sizes ensure an appropriate fit for women drivers. Preox lumbar stretch panel provides greater flexibility and superior fit both in and out of the car. Specifically shaped arm pattern and three-panel leg construction for an increased ergonomic fit in driving position.*
- **Feature details**  
*Ultra soft and ergonomic collar, Alpinestars unique shoulder construction features specially shaped cut, with incorporated extraction epaulets, to ensure comfort and functionality with the HANS device. Internal flat seam construction for added comfort, improved fit and reduced discomfort at internal pressure points.*

**Colors -** *Black, Silver*

**Sizes -** *(EUR) 38 to 50*

**Suggested retail price:** \$1399.95
