

## **ALPINESTARS PRODUCT RELEASE**

Product Name - **TECH 1-KR**

Category - **Kart Racing Gloves**

Description - **New for 2009, based on the successful Tech1 glove. Specifically designed for kart racers who prefer a full length glove. These gloves offer great fit, flexibility and grip with an elasticated wrist to aid fit and comfortable, padded, protection over the knuckle.**

### **TECH 1-KR KEY FEATURES:**

- **Construction**  
*2 layer stretch poly cotton construction, offering excellent grip and feel. Padded sections on palm and over the knuckle for vibration absorption and protection. Strategically positioned silicone print areas are applied directly to the finger and palm areas for maximum grip and feel. Internal seams combined with unique top surface and thumb single panel construction ensure the glove features minimal seams and interference with feel and natural finger movement.*
- **Comfort and Security**  
*A full length glove with a pre-curved finger construction, designed to provide an optimum fit. Foam knuckle padding for added protection and comfort. Elasticated wrist band stitched into the glove construction for secure fit.*

**Colors** – Black, White, Red, Yellow, Blue

**Sizes** – XXS - XXL
