

ALPINESTARS PRODUCT RELEASE

Product Name - **Tech 1-T Shoes**

Category - **Auto Racing Footwear**

Description - **Alpinestars' Tech 1-T shoe is a low cut boot constructed using full grain leather with a Nomex® lining. Lightweight and streamlined for ultimate in performance and usability. Featuring Alpinestars exclusive rubber compound sole for superior grip and feel, while lateral forefoot support provides added stability.**

THE TECH 1-T SHOES KEY FEATURES:

- **FIA Homologated 8856-2000**
- **SFI Approved to 3.3/5**
- **Construction**
Designed with a low cut ankle profile to provide support and flexibility. Extremely light and streamlined for the ultimate in performance. Made with form-fitting full-grain leather upper and a Nomex® lining which has been re-lasted for improved shape and fit. Lining and padding for maximum comfort and safety. Wide toe-box for increased comfort and perfect fit.
- **High-performance sole**
Lateral forefoot support built-in to improved stability and protection, Alpinestars exclusive rubber compound outsole improves feel, vibration, absorption and grip. Built-in footbed engineered for greater feel and precision in Formula, GT and Sports car racing.
- **Closure System**
The low cut ankle design gives versatility with a lace closure system and single Velcro® strap over the instep for a precise and secure fit.

Colors - Black, Red, Blue and Yellow
