

ALPINESTARS PRODUCT RELEASE

Product Name - ZT-Nomex® Top, Bottom and Hood

Category - Technical Auto Racing Underwear

Description - Complying with FIA and SFI regulations, Alpinestars' ZT-Nomex® underwear features flat seam construction and material technology for greater comfort and breathability.

ZT-NOMEX UNDERWEAR KEY FEATURES:

- **FIA 8856-2000 Approved**
- **SFI Approved to 3.3**
- **Top and Bottoms Construction**
180gr 100% Meta Aramid Fiber pique fabric construction for maximum safety. Multi-panel layout with high breathability sides and Kevlar® thread included in the fabric texture for softer feel. New flat seam construction to avoid pressure at sewing lines.
- **Ergonomic Cut and Improved Comfort**
Fitted shape to allow closer fit which improves comfort and reduces the risk of fabric 'bunching' under the race suit. Double layer low collar.
- **Hood Construction**
180gr 100% Meta Aramid Fiber pique fabric construction for maximum safety. Multi-panel layout with high breathability sides and Kevlar® thread included in the fabric texture for softer feel. New flat seam construction to avoid pressure at sewing line. Mouth aperture for drinking tube access.

Colors – White

Sizes – Top and Bottom: XS to XL

Hood: S/M – L/2XL

Suggested retail price: ZT-Nomex® Top \$149.95
ZT-Nomex® Bottom \$139.95
ZT-Nomex® Hood \$69.95
